

Greetings Mr. Fugett/Legacy Band!

I would like to offer an opportunity for those families who might find it hard to raise the funds for the Spring trips, whether it be band or guard. You are in the position to hear from some of those parents who might appreciate this offer.

As you might know, I am in Mary Kay. I can do individual fundraisers for families who might find it useful. I would give back to the family 40% of the sales of the party to go toward their trip. It is really easy for everyone involved. I would set up the party for a time that is good for them. All they would need to do is provide me with a guest list. The more guests that come, the bigger their potential is to pay for their trip. The party would normally be at their home since their friends would be more comfortable doing that...although, if that was a problem, the party could be here at my home.

You might think, how can she do this? I am giving away most of my profit by doing this, but I am looking at the bigger picture at this point. By doing these parties, I hope to meet people outside of the band family, who would like to try Mary Kay. The more people I meet, the better it is for me. I have monthly challenges that I try to conquer, and this would help me meet those challenges.

If this is something that you think might help out a few families, let me know. I can drop off some business cards that you could give them so they could contact me.

Thank you!  
Mardelle Riley
